## ***Release of Directory Information***

Some information in a student's educational record is defined as directory information under the Family Education Rights and Privacy Act of 1974, commonly known as FERPA. According to FERPA guidelines, the College may disclose this type of information without the written consent of the student. However, the student can choose to limit or prohibit the release of directory information by submitting a formal request to the Office of Admissions and Records. At John A. Logan College, directory information is defined as the student's:

- Name
- Dates of attendance
- Degree(s) awarded
- Current enrollment status
- Major field of study

## ***Student Notification of Cancellations***

Students may choose to receive text and/or email messages about campus emergencies and closures through John A. Logan College's JALCtext notification system (cell carrier text message charges may apply). To create an account:

- Go to: [https://jalc.omnilert.net/subscriber.php?command=show\\_signup](https://jalc.omnilert.net/subscriber.php?command=show_signup)
- Create your user name and password.
- Choose to receive text messages and/or email messages.
- Select what information you would like to receive including campus closures, athletic scores, performance series information, campus announcements, club information, etc.
- After registration you will receive a JALCtext confirmation to complete the process.

Once students create an account they may also choose to join other groups on campus and receive their updates. Students can always log back into their account to change their information, preferences, and group subscriptions.

## ***Grades and Records***

Students can view grades, class schedules, account balances, and other important information through their student portal at <https://my.jalc.edu/ics>. Students who are unable to login to the student portal should contact the IT Help Desk via email at [helpdesk@jalc.edu](mailto:helpdesk@jalc.edu), or call (618) 985-2828 extension 8388, option 1.

## ***Purchasing Textbooks***

Students may view required textbooks for the course(s) they are enrolled in by logging into the Student Portal and clicking on "My Course Schedule" on the main student page. There will be a "Buy Books" link next to each course that will open to the John A. Logan College Bookstore website and display textbook information including ISBN numbers.

## ***Financial Aid Information***

To apply for financial aid go to the official website at: <https://fafsa.gov/>

The John A. Logan College Federal School Code is: 008076

All students are encouraged to complete the FAFSA each year as it is the first step in securing: grants and scholarships, which do not need to be repaid, federal work study, which is earned, and student loans, which must be repaid. Sources of financial aid include the federal government, State of Illinois (Illinois residents only), colleges, and private organizations.

John A. Logan College no longer participates in the Federal Direct Student Loan Program, but students may apply for private student loans. To find a lender, contact your local bank or credit union. You may also search "Private Alternative Student Loan Providers" online. All student loan borrowers must first submit their FAFSA with John A. Logan College.

For more information, call (618) 985-2828 extension 8308, or go to [jalc.edu](http://jalc.edu); under Prospective Students, click on Financial Aid.

## General Information and Refund Policy

### ***Refund Policy***

The JALC College Bookstore, located in the Lower Level of Building C, will gladly accept returns and exchanges for items accompanied by a receipt.

**No returns or exchanges will be processed for items without original bookstore receipt, and the bookstore will not provide receipt copies, if lost, for returns or exchanges.**

**The following restrictions apply to all non-text and text returned items:**

#### ***Price Match Gift Card Policy***

- Price Match gift cards may not be used to pay for a future price match transaction.
- We price match against Amazon and Barnes and Noble. Price match must show that the book is shipped and fulfilled from Amazon or Barnes and Noble. It cannot be shipped or fulfilled from a third party vendor on Amazon or Barnes and Noble's website.
- Price Match must be ready at the point of transaction. We cannot help at the register to find price match for customers.

#### ***Credit Card Policy***

- An actual credit card and a government issued photo ID is required to be presented at the time of purchase.
- The name imprinted on the card must match the name of the customer.

#### ***Personal Check Writing Policy***

- Personal Checks will be accepted if accompanied by a government issued photo ID.
- The name printed on the check must match the name of the customer presenting the ID.

#### ***Personal Check Return Policy***

- For personal checks, once a minimum of **fourteen (14) days** has passed since the original transaction date, a cash refund can be processed.
- If the 14 day period is within the returns deadline posted below, a refund will not be issued if brought back afterward.

#### ***Non-Textbook Return Policy***

- Non-textbook items may be refunded or exchanged within 7 days of the sale with the original receipt if the merchandise is in sellable condition.
- Items such as Electronics, CDs, DVDs, Calculators, and Computer Software must be unopened if returned. Computers are not refundable by the bookstore.
- Law and Nursing Reviews and Study Guides are not returnable.
- Gift cards are not returnable.

### **Textbook Return Policy for Fall 2020 Semester**

The last day for **full textbook refunds** for Fall 2020 (with original barcode receipt and textbooks in same condition as when purchased) is **Tuesday, August 25, 2020**.

- Purchases made on or after Tuesday, August 25, 2020 have two business days to return merchandise to the bookstore.
- Refunds will be issued in the tender as they were purchased – checks will be refunded as cash after 14 days of date written.
- Upon proof of drop with schedule that shows what course and section student is enrolled in, Follett will accept textbook returns from students who have dropped on or before the following dates:

First half block ..... August 18  
Full semester course ..... August 25  
Second half block ..... October 12

- All **Financial Aid/Pell activity for the bookstore IS TBA**. Any items that are purchased using Pell and need to be returned (within the return policy) after THIS TBA DATE will be credited to a bookstore gift card.
- Textbooks purchased during the last week of classes or during final exams are not returnable.
- Shrink-wrapped text sets must be unopened, all enclosures (CDs etc.) must be included. Software included with textbooks must be unopened.
- Used textbooks for courses requiring access codes, CDs, etc. are not guaranteed to contain the component pieces as they have been previously used by another individual.
- “eBook” textbooks are returnable **within 14 days from purchase date** if the code/password has not been accessed online.
- We buy back textbooks every day at current market prices – books may be worth more during finals. A photo ID is required to sell back books.

### **Textbook Rental Policy for Fall 2020 Semester**

- Textbook rentals require a photo ID, a major credit card (refer to the credit card policy), and the renter must be 18 years or older.
- The rental receipt, provided at the time of transaction, is the contract for the rented books.
- All rentals have a non-negotiable due date. For **Fall 2020** semester, the **rental due date is Monday, December 14, 2020**.
- Rentals not returned by the due date will incur all the charges listed on the receipt – **no exceptions and no refunds**. The charges will be automatically billed to the credit card on record.

The bookstore gladly accepts:

- Cash
- Debit/Credit
- Personal check with a government ID

## JALC Registration

Degree seeking students interested in registering for classes at John A. Logan College are required to:

- ✓ Apply to the College. Students can apply online at [www.jalc.edu](http://www.jalc.edu) by clicking on the red “Apply Now” tab in the top right corner. Paper applications are also available in the Admissions and Records Office in C201.
- ✓ Provide an official copy of the high school or GED transcript with the date of graduation or completion.
- ✓ Provide official copies of college transcripts along with a Transcript Evaluation Request if the student is seeking evaluation of prior coursework for the purpose of satisfying degree requirements or course prerequisites at John A. Logan College.
- ✓ Provide placement test scores if college level English and math have not been successfully completed. The College provides placement testing for students. ACT and SAT scores may also be used provided they meet the requirements to demonstrate college readiness.

**JALC Student Portal:** To access the Student Portal from the College home page, students can click on the blue MyJALC tab. Once a student is logged in they can register for classes as well as view grades, schedules, account balances, and unofficial transcripts. For problems accessing the portal, students should contact the IT Help Desk at extension 8388.

**Billing:** Students may pay their Bursar bill through the portal, by mail, or in person in the Bursar’s Office in C213. Failure to pay the bill by the specified due dates may result in being dropped from classes for non-payment.

**Academic Advisement:** New students who are degree seeking must meet with an advisor to register for classes. Students should contact the Academic Advisement Office or Admission and Records to schedule an advisement appointment. Returning students may register by meeting with their Academic Advisor, registering through the Student Portal, or sending an email to [registration@jalc.edu](mailto:registration@jalc.edu). When requesting classes, students must include their name, JALC ID number, valid email address, and list of courses (including course prefix and section number). **Students who do not meet with an Academic Advisor are responsible for ensuring that courses are required for their specific program and meet all requirements for financial aid eligibility including scholarships.**

**Registration Restrictions:** Students with an outstanding balance or other registration restrictions at the College may not enroll until the restrictions are resolved.

**Financial Aid Eligibility:** Depending on federal regulations, all courses may not be eligible for reimbursement. It is imperative that students only enroll in courses listed on their designated program guide. Questions concerning course eligibility should be directed to the student’s academic advisor.

**Testing Services:** Students are required to take a placement test in order to register for classes. This basic skills assessment includes reading, writing, and mathematics. Information from the assessment is used to place students in college level courses. Information on placement testing can be obtained by contacting the Testing Office in Room C205, or at Extension 8497. The only exception is for students who have successfully completed college level coursework in English and/or math, or have provided ACT or SAT scores that reflect college readiness.

**Wait Lists:** Students may choose to be placed on a wait-list for courses that are closed at the time of registration. Once a seat opens and the student is added to the class, the tuition charges will be reflected on the student’s bill.

**Class Cancellations:** If a course is cancelled prior to the start of the semester, students will be notified through email to their college VOLMail account. During the course of the semester, faculty will also use VOLMail to notify students of individual course cancellations. In the event that the campus is closed, notification will be sent by text to the JALCtext account.

Complete this form and bring it with you when you meet with your advisor. Do **not** mail this form. It is a planning guide, not the actual registration form.

# Block Scheduling

Block scheduling offers one of the most efficient ways to earn college credit, by abandoning the traditional 50-minute college class for longer blocks of time. Additionally, rather than meeting for a full semester, classes usually meet for 8 weeks.

# Online Courses

## Online (Virtual and Hybrid) Courses

Are you a self-directed and self-motivated learner? Does your schedule or location keep you from attending courses on campus? Then online learning may be just right for you. Online courses enable you to customize your learning to your time and your place since the courses are taught primarily via the Internet rather than in the classroom. Online courses are no less challenging or academically rigorous. You will have to spend at least as much time, and possibly more, to be successful.

Online courses are NOT independent study courses. Online courses are highly structured and involve frequent interactions with the instructor and with other students enrolled in the course. Students use the Internet for communicating with the instructor and other students, gaining access to course materials, conducting research, and submitting assignments. It is NOT necessary to have a high level of computer proficiency, but you should have some computer experience navigating the Internet and using email. The ability to use a word processing program is very important in an online course. If you do not have Internet access at home or at work, you can still take an online course using computers in our open access laboratories.

Textbooks and other materials may be ordered from the campus bookstore.

**Virtual Courses** Any course approved for online instruction that requires no more than three visits to a campus or off-campus location during a semester. (Courses section numbers for virtual courses are V1, V2, etc.)

**Hybrid** Any course approved for online instruction that requires four or more visits to a campus or non-campus location during a semester. (Course section numbers for hybrid courses are H1, H2, etc.)

# Dual Credit/Dual Enrollment Classes for High School Students

John A. Logan College offers both Dual Credit and Dual Enrollment courses. The mission of the dual credit and dual enrollment program is to give high school students who attend a John A. Logan College district high school, private high school, or a home school student who resides in the John A. Logan College district, the opportunity to earn college credit while still in high school.

## Goals:

- Explore career pathways
- Get a head start on college by earning college credit
- Build self-confidence and familiarity with the college environment which helps ease the transition from high school
- Save money on tuition
- Provide opportunities to participate in campus activities and events

## What is Dual Credit and Dual Enrollment?

**Dual Credit** classes are generally offered at the high school and are taught by college qualified high school instructors. High school and college credit are awarded for these courses. Classes taught at JALC, its extension centers and online, may be **Dual Credit** (receiving both college and high school credit) with a formal course agreement with a high school or **Dual Enrollment** (receiving only college credit) with no formal course agreement with a high school.

1. [The College Catalog](#) lists all the courses offered at John A. Logan College. [The Class Schedule](#) identifies the days of the week and the times each class is offered during a particular semester.
2. Students may take day, evening, or online classes as approved by their high school. Online classes are listed separately in the online section of the class schedule.

## Registration Deadlines

High school students are subject to the registration deadlines for regular college courses and may not enroll in a course after the course closes. Please pay particular attention to the "last day to register." This date is located in the [Class Schedule](#) on page ii under "Instructional Calendar."

## Admissions Requirements:

Enrollment is limited to students attending a JALC district high school or a home school student residing in the JALC district. Admission is ordinarily restricted to students in their junior and senior years of high school. Additionally, students accepted for enrollment in college-level courses must have the following:

- Appropriate academic qualifications as determined by their high school
- High level of motivation and adequate time to devote to studying a college-level course
- High school transcript has to be on file at John A. Logan College

The College recognizes that, in some instances, sophomores may be academically prepared for college course work. The College will consider approving sophomores for dual credit and/or dual enrollment on an individual basis provided the student can clearly demonstrate they meet the requirements established for sophomores. [Click here for a PDF with the criteria for sophomore dual credit and dual enrollment.](#)

## Students must also:

1. Make course selections in consultation with their high school guidance counselor, principal, JALC Director of Dual Credit or parent administrator if home schooled.
2. Take the College's placement test or provide their SAT test scores and score appropriately.
3. Complete all course prerequisites as required by the College and any additional requirements set by their high school.
4. Complete a Dual Credit registration form or Dual Enrollment registration form.

## Tuition and Fees

Currently, the College waives the tuition and fees for dual credit courses taught at the high school. Students taking classes at JALC, at the extension centers or online may have course fees assessed plus a \$5 per credit hour Technology Fee. In addition, all students who are taking six or more college credits will be assessed a \$65 Activity Fee during the fall and spring semesters (\$40 for students taking three or more hours in the summer). Students must have the permission of their district high school to participate in the dual credit or dual enrollment programs. Enrollment forms and a list of the dual credit courses approved by your high school are available through your high school guidance office. ***Dual enrollment classes have up to 8 credit hours of tuition waived per semester but will require payment of all applicable fees.***

## Meeting with the JALC Director of Dual Credit

After meeting with a high school guidance counselor, students are encouraged to arrange an appointment to meet with the Dual Credit Director at the College. The Director can provide valuable insight to careers, programs offered at the College, and assist students interested in pursuing a baccalaureate degree after attending John A. Logan College. Contact the Office of Dual Credit at (618) 985-2828, Ext. 8312 to schedule an appointment. For more information, visit our website at <http://www.jalc.edu/dualcredit>.

# Educational Opportunities in Cooperation with John A. Logan College

## Southern Illinois Collegiate Common Market (SICCM)

Program Delivery/Requirements	Programs
<p>The Southern Illinois Collegiate Common Market (SICCM), organized in 1973, is a not-for-profit organization, which provides a means of sharing human and material resources in higher education. Through cooperation, more programs that are effective can be initiated and duplication of costs can be avoided. Working together, the consortium has been successful in the creation of innovative delivery systems, increased educational opportunity, and better accessibility to higher education for all people in the region. The region served by SICCM comprises a large segment of the southern portion of the state. The geographic area of SICCM covers all or part of eighteen (18) counties. This area stretches over 100 miles north to south and 100 miles east to west. Because the regions of the two cooperating colleges are large, traveling is an integral element of the consortium program. Completion of these programs may require travel up to one hour or more to clinical affiliates and to the SICCM lab/classroom.</p> <p>The consortium includes two participating institutions. Members of the consortium include:</p> <ul style="list-style-type: none"> <li>• John A. Logan College, Carterville, Illinois</li> <li>• Shawnee Community College, Ullin, Illinois</li> </ul> <p>Each college has a minimum of twelve to thirteen (12-13) admission slots, with a maximum class size of twenty-five (25) students. Applicants are ranked separately at each college and the highest scoring students are admitted into the slots allocated to the college. Students may apply at only one community college for entrance into a program and each college gives preference to its in-district students.</p> <p>After a student is admitted into a SICCM program, he/she will register for all classes on their home campus. General education courses are taken on the home campus, but the core classes for each program are taught at the SICCM Regional Instructional Center located in Herrin, Illinois on HWY 148 North.</p>	<p>As a member of SICCM, John A. Logan College is able to provide southern Illinois students with training in three programs:</p> <ul style="list-style-type: none"> <li>• Medical Laboratory Technology</li> <li>• Occupational Therapy Assistant</li> <li>• Surgical Technician</li> </ul>

# Avoid the line.....Pay online at <http://jalc.edu/>

To help you meet your educational expenses, John A. Logan College is pleased to offer the FACTS TUITION MANAGEMENT Program, a convenient, inexpensive, and easy way to budget payments.

FACTS is a convenient budget and tuition management plan that provides you with a low-cost option for budgeting tuition and other educational expenses. It is not a loan program; therefore, you have no debt, no interest, or finance charges assessed. There is no credit check. Enrolling online is simple, easy, and secure.

Connect to the FACTS e-Cashier Web link at <http://jalc.edu/>. You can make down payments or monthly payments. Click on the "Online Registration and Records" link, and that will take you to the College's Weblink student records system. Log into Weblink, click on "Account Balance," and the FACTS button will appear. Click there. Once you are in FACTS, review all information and refer to the menu bar at the top for additional answers to questions. After you have reviewed all information, scroll down and select the "Proceed" button. After you accept the "Terms and Conditions" and submit your agreement, you will receive an immediate e-mail (if your e-mail address was provided). This e-mail confirms receipt of your enrollment through FACTS e-Cashier.

In the past, students who have wanted to split their tuition payments have used our "partial payment" plan. This replaces the partial payment plan. Students who want to make tuition payments now have the FACTS program. More information is in the College brochure entitled FACTS TUITION MANAGEMENT in the Admissions Office.

## Extracurricular Activities

The College provides a wide range of extracurricular and cultural activities, including three dozen clubs devoted to both baccalaureate transfer and career programs as well as specialty clubs for the arts such as music and writing and special populations. More information is with the College Office of Student Activities, Room C109.
