### *GED/High School Transcript*

According to our records, you failed to indicate on your FAFSA and with our Admissions Office, if you have obtained a high school diploma or GED. You must have one of these in order to receive federal student aid.

Is it possible that:

- Our Admissions Office has not yet received your signed and dated high school transcripts with date of graduation or official Ged test scores
- FAFSA does not match what Admissions has entered into our system
- “None of the above” may have been selected on your FAFSA for question 26

Please submit a copy of your signed and dated high school transcript (that shows your graduation date) or a copy of your GED test scores to the **Admissions Office**. They can be reached via phone at (618) 985-3741 ext. 8245 or fax at 618-985-4433.
