Dear Student:

The amount of Federal Pell Grant funds a student may receive over his or her lifetime is limited by law to be the equivalent of **six years of Pell Grant funding**. Since the maximum amount of Pell Grant funding a student can receive each year is equal to 100%, the six-year equivalent is 600%. **This law is referred to as “Lifetime Eligibility Used” (LEU)**. It applies to all Pell Grant awards in all previous award years.

According to information received through the Department of Education, **you have received between 500-600%** of your scheduled awards.

Here is the link for you to access the information concerning your percentage amount:
