Dear Student,

As of today's date, our current records indicate that you are not eligible for the Federal Pell Grant for the school year 2019-2020. You are not eligible due to the fact that your EFC (Expected Family Contribution) is too high. The United States Department of Education determines your eligibility based upon information you submitted on your FAFSA. Please make payment arrangements to ensure you do not get dropped from your classes.
