 SEPTEMBER 24, 2024
CROSS REF.: BOARD POLICY 5110; 5220A

In order to be in compliance with ICCB Administrative Rule 1501.303(f) and HLC guidelines, John A. Logan College (JALC) has set the following minimum standards for all faculty in accordance with the Illinois Community College Board (ICCB) Recognition Standard 8a Faculty Qualification/Policies, which states:

Professional staff shall be educated and prepared in accordance with generally accepted standards and practices for teaching, supervising, counseling, and administering the curriculum or supporting system to which they are assigned. Such preparation may include collegiate study and professional experience. Graduate work through the master's degree in the assigned field or area of responsibility is expected, except in areas where work experience and related training is the principal learning medium. (Administrative Rules of the Illinois Community College Board, p.31)

<http://files.eric.ed.gov/fulltext/ED430661.pdf>

The ICCB interpretation throughout the enforcement of these rules is that instructors teaching courses designated as Transfer Courses (1.1) must meet the Master's Degree requirement and have a *minimum* of 18 graduate hours in the discipline. Regarding areas where work experience and related training is the principal medium, otherwise referred to as Career and Technical Education Courses (1.2), instructors must hold the appropriate credential and 2000 hours of demonstrated experience in the field.

Faculty members teaching in higher education should have completed a significant program of study in the discipline they will teach or develop curricula at least one level above that of courses being taught or developed. Those teaching general education courses (English, Math, Humanities, Speech, Social Sciences, and Sciences) typically hold a master's degree and should have completed substantial graduate coursework in the discipline of those courses. In some cases, such as a practice-oriented discipline or programs, tested experience in the field may be needed as much or more than formal education preparation. Tested experience implies that some objective measure ensures that the individual's knowledge and expertise are sufficient for determining what students must learn.

FACULTY AND ADJUNCT FACULTY

The College complies with the following directives within the ICCB Rule (September 2016, p. 113):

- A. The academic preparation and experience of faculty and staff ensure that the objectives of the unit of instruction, research, or public service are met.
- B. The academic preparation and experience of the faculty and staff, as evidenced by the level of degrees held, professional experience in the field of study, and demonstrated knowledge of the field, ensure that they are able to fulfill their academic responsibilities. At a minimum, faculty shall have a degree from an institution accredited by a U.S. Department of Education recognized accrediting body or a degree from another country evaluated for U.S. equivalency in the discipline they will teach or for which they will develop curricula at least one level above that of the courses being taught or developed.
 - i) Faculty providing undergraduate general education coursework shall possess, at a minimum, a master's degree in the field of instruction.
 - ii) Faculty engaged in providing technical and career coursework at the associate degree level shall possess, at a minimum, a bachelor's degree in the field of instruction or equivalent training in the occupational field.

- iii) Faculty teaching in a baccalaureate degree program shall have, at a minimum, a master's degree in the field of instruction.
- iv) Faculty teaching in a graduate program shall have a doctorate or terminal degree in the field of instruction.
- v) The Board may make exceptions for professional experience, equivalent training, and other qualifications; however, except in extraordinary circumstances, these should prove the exception and not the rule in meeting faculty qualification requirements.

From these guidelines, JALC has developed the following interpretation:

- A. Those teaching 1.1 transfer courses, that is, courses that may be used as college credit towards a four-year degree and/or are Illinois Articulation Initiative (IAI) identified courses, must have a master's degree in the content area or a master's degree plus 18 semester hours of graduate-level credit in the discipline of instruction.
- B. Those teaching 1.2 non-transfer occupational/technical courses must have a bachelor's degree in the field and/or a combination of education, training, and tested experience.
- C. Individuals who do not explicitly meet College minimum degree and coursework requirements for 1.2 non-transfer occupational/technical courses can be justified on an individual basis by documenting other qualifications.

CREDENTIAL REVIEW PROCESS

JALC uses the following process to ensure that faculty credentials in all areas of instruction have been vetted and verified. Unofficial credentials are required at the time of application and must be uploaded into the College's applicant tracking system in a PDF format. Upon hire, the faculty member is required to present official transcripts. The recruitment/new checklist form is attached to all new hire paperwork and submitted to H.R. for processing. The form establishes a record of the review of credentials submitted and is sent through a routing review sequence with the following documentation attached:

- Transcripts from all institutions of higher education awarding a degree and/or transcripts indicating applicable additional coursework
- Documentation of relevant training and related testing, if required
- Copies of licensures/certification, if required

International credentials must be assessed as equivalent academic preparation by an approved evaluation service. Coursework submitted by the faculty applicant as graduate credit must be clearly designated by the granting institution as part of a graduate program or formally validated by the granting institution as graduate-level study.

Official documentation from all post-secondary institutions attended must be provided by the granting institution in the form of an official transcript with detailed listings of coursework completed and degree(s) conferred if applicable.

A transcript is considered official if an authorized electronic transcript is received from the National Student Clearinghouse transcript ordering service, including the complete record of the person's academic course history at that institution or if it meets the following requirements:

- Printed on official paper
- Signed and dated by the issuing institution's Registrar
- The complete record of the person's academic course history at that institution
- Delivered to and received by designated (or appropriate) JALC staff member in a sealed envelope, with issuing institution's stamp and date across the sealed flap of the envelope (U.S. post or hand delivery). If the envelope seal is already broken when received by the designated JALC staff member, the document shall no longer be considered official.

The cover page from the institution will serve as verification the document is official. The necessary documentation is routed to the department supervisors, who will examine individual credential packets for compliance with the stated guidelines.

Approved packets will be routed to the Office of Human Resources as an official record. Human Resource staff will add credential data to the appropriate data repository system(s) and file the credential packet in the individual's employee file.

Return to Work –

Employee and Volunteer Restrictions

Administrative Procedure 506

Under the SURS return-to-work restrictions (40 ILCS 5/15-139), an annuitant may not return to work in any capacity, paid or unpaid, with a SURS-covered employer until retired for at least 60 calendar days. The Annuitant must have a clear separation from SURS-covered employment and no written or oral agreement to return to a SURS-covered employer at the time of retirement. If the Annuitant does not satisfy this requirement, the annuity will be canceled.

It is the Annuitant’s responsibility to notify SURS upon returning to employment for a SURS-covered employer; any position at JALC is considered SURS-covered, including volunteer and grant positions.

In order to apply to any position at JALC, paid or unpaid, the Annuitant must include their Certification of Retirement Annuity in the application materials. No application, paid or unpaid, will be considered if the Certification of Retirement Annuity is not attached.

If the Annuitant returns to SURS-covered employment after the 60-day period, the Annuitant will be subject to an earnings limitation. The exact amount of the earnings limitation will be stated on the Certification of Retirement Annuity upon finalization of the retirement claim. If the Annuitant exceeds the earnings limitation, the retirement annuity will be reduced or suspended.*

DEFINITION OF AFFECTED ANNUITANT

An employed annuitant would become an affected annuitant on the first day of an academic year following the academic year in which the Annuitant initially meets the following conditions:

- Receives compensation during an academic year beginning after August 1, 2013, that is greater than 40 percent of the highest annual rate of earnings earned prior to retirement, and
- Receives an annuity of at least \$833.33 per month (\$10,000 per year) in the academic year containing June 1, 2015, and any academic year thereafter.

If the employee fails to disclose their annuitant status prior to 15 days of employment and the College is required to make a contribution to SURS because of affected status, the employee will be responsible for reimbursing the College for said contribution.

PURPOSE

Stipends (or fixed pay) are used to compensate individuals who are engaged in College-related activities normally outside the realm of Board Policies #5220, 5220A, 5221A and 5221B. Stipend positions are intended as an additional method of accomplishing specific aims and objectives consistent with the established missions and goals of John A. Logan College. Stipends may be granted for professional activities of College-wide or district-wide significance, including activities such as in instruction, athletics, student activities or other projects designated by the president. Stipends will be considered on the basis of documented need and the availability of human and material resources. Stipends will not be added to base salary.

GENERAL GUIDELINES

The following guidelines and procedures will apply when stipends are requested:

1. All stipend positions should be filled with qualified applicants. Hiring records for employees should be kept in accordance with the Illinois Records Act. The Office of **Human Resources** will advertise various stipends as directed by the president. **Titles and level classifications of stipend positions shall be maintained by the Office of Human Resources.**
2. Stipends may also be used for activities performed during summer terms. Stipends may be filled by presidential appointment, internal posting, or external advertising.

Reimbursement for Retirees’ Health Insurance

Administrative Procedure 514

This administrative procedure specifies how Board Policy 5141, Retirement Benefits, is implemented as it relates to the reimbursement of retirees’ health insurance.

Reimbursement will be based on the difference between the actual rates for the chosen coverage within the retirees’ College Insurance Plan (CIP), administered by the Illinois Central Management Services, and the rates for the John A. Logan College health insurance plan for current employees. No reimbursement will occur unless the retirees’ premium is higher than the employees’ share of the premium for comparable coverage under the John A. Logan College health insurance plan. No Medicare premiums will be included as retiree premiums. This reimbursement will be identified as the “current active employee levels method.”

Examples:

- a) Retiree Only CIP Premium (Non-Medicare) \$270, Active Employee Share of JALC premium \$230, Reimbursement \$40*
- b) Retiree Only CIP Premium (Medicare Primary) \$60, Active Employee Share of JALC Premium \$230, Reimbursement \$0*
- c) Retiree Plus Dependent CIP Premium (Non-Medicare) \$1,300, Active Employee Share of JALC Premium \$480, Reimbursement \$820*
- d) Retiree Plus Dependent CIP Premium (Medicare-Retiree, Non-Medicare Dependent) \$1,200, Active Employee Share of JALC Premium \$480, Reimbursement \$720*
- e) Retiree Plus Dependent CIP Premium (Non-Medicare Retiree, Medicare-Dependent) \$700, Active Employee share of JALC Premium \$480, Reimbursement \$220*
- f) Retiree Plus Dependent CIP Premium (Medicare Primary-Both) \$278, Active Employee Share of JALC Premium \$480, No Reimbursement \$0*

If a retiree has additional dependent children enrolled, reimbursement amounts will be calculated based on the difference between the CIP premium and an active employee’s share of the JALC premium for family coverage.

The amounts above are for illustration purposes only. Actual CIP deduction amounts and JALC rates will be evaluated throughout the fiscal year, and reimbursement calculations will be adjusted based on actual enrollment and the actual rates for each plan.

The “current active employee levels method” of reimbursement described above will apply except in these specific instances:

- 1) When a specific reimbursement percentage is designated in an individual employment contract, the reimbursement would be based on specific contract language.
- 2) For those individuals retired on or before August 1, 2008, with a status of Medicare Primary for all enrollees as illustrated in example b and example f above, the College will reimburse up to the actual cost of their CIP premium for the chosen coverage when the amount is below the current dollar amount the College pays for an active employee. For those individuals illustrated in examples: a, c, d, and e above and anyone retired after August 1, 2008, the “current active employee levels method” will still apply. Retirees will not be reimbursed more than their actual CIP premiums.

***Reimbursement for Retirees’
Health Insurance***

Administrative Procedure 514

- 3) In accordance with direction from the Board of Trustees on January 28, 2014, reimbursement to those retired on or before August 1, 2008, who had reimbursement previously reduced due to a change in enrollment status shall have the reimbursement recalculated in accordance with #3. This adjustment is effective February 1, 2014, and shall be applied going forward.

- 4) Retirees will be responsible for immediately notifying the Payroll office of any changes in enrollment status, including, but not limited to, dependent status, plan changes, and changes in Medicare eligibility. The College will request from each retiree proof of enrollment and premium amounts at least two times per year. The request will be made after each open enrollment period with effective dates of January 1st and July 1st of each year or as needed if the College believes there has been a potential status change that may affect the reimbursement calculation. If the requested proof is not provided by the deadline as stated, future reimbursements will be suspended until such proof is received. If a change in status results in an overpayment, the retiree will be responsible for repaying the College.

AMENDED:
REVIEWED:
CROSS REF.: BOARD POLICY 5154

In accordance with PLAWA, all employees are to be afforded a maximum of forty (40) hours of PLAWA leave (hereinafter PL) per 12-month period to be earned at a rate of one (1) hour of PL for every forty (40) hours worked in a 12-month period, up to a maximum of forty (40) hours of PL in a 12-month period.

JALC currently provides Sick Leave for full-time employees at the rate of 13.3 hours per month of employment. It is the intention of this procedure that the (40) hours of PL be taken from the already allocated "personal business" sick leave the employees currently accrue. If an employee does not specify a reason prior to or at the time of their leave, it shall be presumed to be PL up to the maximum (40) hours. Part-time employees who do not earn sick leave shall accrue PL at the rate of one (1) hour of PL for every forty (40) hours worked in a 12-month period, up to a maximum of forty (40) hours of PL in a 12-month period. Employees shall be paid their regular hourly rate of pay for PL.

The 12-month period for purposes of calculating PL shall be the calendar year. Employees shall be permitted to use accrued PL beginning on March 30, 2024, or ninety (90) days after the commencement of their employment, whichever is later. Full-time and part-time employees may, at the end of a 12-month period, carry over accrued, unused PL into the next 12-month period. An employee, however, may not use more than 40 hours of accrued PL in a 12-month period and may not carry over more than 40 hours; anything in excess of 40 hours shall be converted to general sick leave and shall follow the accumulated sick leave policy.

JALC does not credit PL under this policy to any other employee vacation bank or paid time off (PTO) bank. As a result, in accordance with PLAWA, JALC does NOT compensate employees for accrued, unused PL upon termination or separation from employment.

PL Use

JALC requires employees to provide seven (7) calendar days' notice of the employee's intent to take PL. If, however, the employee's need to take PL is not foreseeable, the employee must provide notice as soon as is practicable after the employee is aware of the necessity of taking PL. JALC may deny an employee's request to use PL if granting leave would significantly impact College operations. The following is an illustrative (not exhaustive) list of reasons why requests to use PL may be denied: 1) Staffing would fall below minimum levels necessary to provide effective public service; 2) Emergency circumstances exist requiring employee attendance; 3) Employee absence would hamper JALC's ability to meet critical workflow obligations or deadlines.

An employee is not required to search for or find a replacement worker to cover the hours during which the employee will be on PL. Employees may take PL in increments as small as one (1) hour unless the employee's scheduled workday is less than one (1) hour, in which case, the employee's scheduled workday shall be used to determine the amount of PL taken. An employee may take PL for any reason of the employee's choosing. An employee is not required to provide JALC with a reason for taking PL. JALC will not require the employee to provide documentation or certification of the reason that PL was taken. An employee may choose whether to use PL under this policy prior to using any other leave provided by JALC or State law. If an employee does not specify a reason prior to or at the time of their leave, it shall be presumed to be PL. Employees shall be paid their regular hourly rate of pay for PL.

Paid Leave for All Workers (PLAWA)

Administrative Procedure 516

If an employee is separated from employment with JALC and is rehired within twelve (12) months of separation from JALC, previously accrued PL that had not been used by the employee shall be reinstated, and the employee shall be entitled to use it at the commencement of re-employment.

** This procedure does not apply to anyone covered under a collective bargaining agreement.

Specific rules and regulations regarding staff behavior are necessary for the efficient operation of the College and the benefit and safety of all visitors, students, and staff. All College staff are expected to contribute to a productive and cooperative effort to conduct the College's business and serve the students and the general public. Further, College staff are responsible to the College and the community to conduct themselves at the highest level of ethical standards and adherence to Board Policy 4211, Employees Ethics Act.
